- RATE INFORMATION.** The Annual Percentage Yield (APY) reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. The interest rate and Annual Percentage Yield (APY) may change monthly as determined by our Board of Directors. Your rate may vary based on an Index. See Variable Rate Information below. You must provide and maintain minimum opening deposits and/or minimum daily balances in order to earn the APYs stated above, if so indicated.
- COMPOUNDING AND CREDITING.** The frequency with which interest will be compounded/credited and is set forth above. The "Month" begins on the first calendar day of the month and ends on the last calendar day of the month.
- MINIMUM BALANCE REQUIREMENTS.** The minimum balance requirements for each account are set forth above. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par value of a share in this credit union is disclosed on the Fee Schedule.
- BALANCE COMPUTATION METHOD.** We use the *Average Daily Balance* to calculate interest on your account. The Average Daily Balance Method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.
- ACCRUAL OF INTEREST.** Interest will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account. If you close your account before interest is paid, you will not receive the accrued interest.
- TRANSACTION LIMITATIONS.** For **Holiday Accounts:** the available balance will be transferred to your share account on or after November 1st and the account will remain open. If you withdrawal from your account, you will be charged a fee as disclosed in the Fee Schedule. No fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For **Money Market accounts:** There is no minimum withdrawal amount. For **all accounts except share draft/checking accounts:** during any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer or telephonic order or instruction. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to a fee or may be closed. For **PPC Savings accounts:** Shared branch access, ATM/debit cards, and Popmoney transfers are not available. Funds from check deposits will not be available until the ninth business day after the day we receive your deposit. Funds transfers are limited to a maximum monthly limit of \$3,000.
- COURTESY PAY.** Courtesy Pay may allow members who are in "good standing" to overdraw their personal checking account up to \$1,000.00. The account must be open at least 60 days. To be in "good standing", you must (1) be making regular deposits sufficient to cover transactions; (2) bringing the account to a positive available balance at least once every 30 days or less; (3) there are no tax levies, garnishments, or other legal action against the account; (4) be age 18 and over; (5) be current on all loans and obligations; and (6) have no past charge-offs that have not been fully recovered. If you overdraw your account, we may, at our discretion, pay overdrafts up to the \$1,000.00 limit. You will be assessed either an NSF Fee or Courtesy Pay Fee, but not both. These fees will be included in the \$1,000.00 limit. Courtesy Pay is a non-contractual privilege that requires no action on the member's part. It is not a loan. You will receive notice of any overdrafts on your periodic statement. If you receive a direct deposit of your monthly Social Security payment into your checking account and do not want Courtesy Pay eligibility, you must advise us to stop us from paying your overdrafts with these funds.
- VARIABLE RATE INFORMATION.** If your rate is variable as indicated above, the rate is based on the Board of Director's discretion. We may change the rate monthly. There are no limitations on the amount the rate can change.

This credit union is federally insured by the National Credit Union Administration

1. ***RATE INFORMATION.** The Annual Percentage Yield (APY) reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. The interest rate and Annual Percentage Yield (APY) are fixed and will be in effect for the initial term of the account. The rates for Renewals shall be those rates in effect at the time of renewal. The APY stated is based on the assumption that interest will remain on deposit until maturity; a withdrawal of interest will reduce earnings. * The Rate-Protector CD allows you to change the rate one time during the term of the certificate.

2. **COMPOUNDING AND CREDITING.** The frequency with which interest will be compounded and credited is set forth above. The "Month" or "Quarter" begins on the first calendar day of the month or quarter and ends on the last calendar day of the month or quarter.

3. **MINIMUM BALANCE REQUIREMENTS.** The minimum balance requirements for each account are set forth above. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par value of a share in this credit union is disclosed on the Fee Schedule.

4. **BALANCE COMPUTATION METHOD.** We use the *Daily Balance Method* to calculate interest on your account. The *Daily Balance Method* applies a daily periodic rate to the balance in the account each day.

5. **ACCRUAL OF INTEREST.** Interest will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account. If you close your account before interest is paid, you will not receive the accrued interest.

6. **MATURITY.** Your account will mature according to the term indicated above, and as indicated on your account summary or statement.

7. **EARLY WITHDRAWAL; PENALTIES.** We will impose a penalty if you withdraw any of the principal in your account before the maturity date. The amount of the penalty is disclosed above. The penalty is calculated as a forfeiture of part of the interest that has been or would have been earned on the account, and applies whether or not the interest has been earned. The penalty may be deducted from the principal amount of the deposit. The Annual Percentage Yield disclosed for your account is based on an assumption that interest will remain in the account until maturity; a withdrawal will reduce earnings. **Exceptions to Early Withdrawal Penalties:** We may, at our option, pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: (1) If an account owner dies or is determined to be legally incompetent by a court or other body of competent jurisdiction; (2) If the account is an IRA Account and any portion is paid within seven days after the establishment of the account; (3) If the account is a Keogh Plan, provided that the depositor forfeits an amount at least equal to the simple interest earned on the amount withdrawn; or (4) if the account is an IRA or Keogh Account and the owner attains the age of 70 1/2 or becomes disabled.

8. **RENEWAL POLICY.** Unless you otherwise instruct us, your certificate account will automatically renew at maturity. You will have a grace period as indicated above after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty. † WealthBuilder Certificates: [unless you withdraw your funds within the grace period at maturity,] certificates with balances of \$1,000 or more will renew as a standard 12-month certificate; certificates with balances of less than \$1,000 will automatically renew as Wealthbuilder certificates. You will receive a renewal notice at maturity, please refer to the notice at that time for additional information.

9. **SECURITY FOR LOANS.** IRA-Favored Certificates, 12 Month Youth Club Certificates, and 12 Month WealthBuilder Certificates cannot be pledged as security for a loan.

FEES. Fees are subject to change. Contact us for the most current information regarding fees. The following fees and charges are applicable to your account(s), services, and/or transactions, as of 08-24-2018.
